

Details of participation of teachers in various bodies

The teachers of the college have been actively participating in various decision-making bodies of the Madhya Pradesh Medical Science University to which the college is affiliated. The university being newly established, the teachers of the Hitkarini Dental college have served substantially, as a member/chairman of board of studies/ Academic council of university, in shaping and tailoring the syllabus for dentistry. Preparations were done in terms of syllabus, new courses, examinations and other academic activities. Dr Rajesh Dhirawani Chaired the session for Clinical BoS.
