	empowerment			equality is the foundation of peaceful, prosperous & sustainable world. Providing women with equal access to education, healthcare, work & economic decisionmaking will benefit society and humanities at large.
5	Tolereance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities.	Dr. Krishnakant Chaturvedi	21/11/19	Dr. Chaturvedi reinforced the concept of unity in Diversity. Each individual has his unique identity. Our societies are formed by such individuals belonging to different caste, creed community, social and ethnic backgrounds. Whenever any major disaster occurs the society and the nation face it with unity. People rise above their differences with the notion of universal brotherhood. This is of most importance which forms the strong foundation for the stability and integrity of our nation and society.
